With Big.Jobs, by spending only a few minutes every day, Line's hiring managers, who sit out of multiple time zones, were able to build a strong pipeline with very high shortlist rates, lower drop-offs & great results.

Line made solid hires & was also able to ensure that every candidate who interacted with their employer brand had a highly positive experience. With their Big.Jobs subscription, their cost-per-hire was over 70% lesser than HR agencies.
